

MUSEUM OF THE HOME

Caterers

Our carefully chosen suppliers below offer excellent catering options from small meetings to larger special events, from bars and staff to celebration cakes. Get in touch with them directly for details and quotes.

Albi Ison Catering – NEW 2023

Our small team love to organise corporate and private events in or around London. Event sizes from as little as 2 guests for a proposal, to larger events into the hundreds. Alternatively, we offer a delivery & set up service to drop off your boardroom lunch or the canapés for the office party.

We take pride in the service we offer; the food and the hospitality that create a whole experience. We strive to extend generous hospitality to your guests, drama free, with delicious & vibrant food.

Boulevard Catering

Founded as the Boulevard Restaurant by Madeline Crouch and Stephen Maher in 1988. A family business with strong community ties, and pioneers from the start, Boulevard was the first restaurant in Victoria Park Village, London. The event catering followed from the restaurant and eventually outgrew it leading to Boulevard Events. After moving to commercial premises in 2000, the team haven't looked back.

Boulevard place an emphasis on the finest and freshest ingredients locally sourced and treated with respect; beautiful food, exquisitely presented.

Eventers – NEW 2023

We are an event and entertainment service business based in London. We provide bar staff and provide pop-up bars for all sorts of corporate and celebratory events.

Generally, most companies use a wooden or metal box as a bar, Eventers bars are purpose-built, award-winning bars, which come in shoulder bags the size of a large painting, used by professionals around the world. Not only do we provide the ultra-slick pop-up bars, but we can also bring in the crew to run the show with our team of knowledgeable mixologists, bartenders, runners, servers, back-of-house and cloakroom staff.

Philipa Day

Philipa studied Fine Art and soon realised her love for flowers which led her to retrain and start her own business as an independent florist. In homage to all things sustainable, Philipa uses British flowers from March – October and has begun growing her own blooms. Philipa's style is inspired by her love for colour and composition as found in an English garden - in each design you can feel her love affair with nature. From a studio space in Woodford, Essex, she provides flowers for weddings, events, homes and businesses across the UK.
